

## Elizabeth M. Howell / Associate

Elizabeth M. Howell joined Diana L. Skaggs + Partners, PLLC in 2014, following her 2013 graduation from the University Of Illinois College Of Law with a Juris Doctor degree. While working toward her degree, Howell worked as a law clerk for an Illinois family law firm, and assisted clients in a number of family law cases. She fell in love with family law because of the ability to work face-to-face with clients on matters that directly impact their daily lives. She particularly enjoys using the legal process to reduce clients' stress during what can be a very difficult time.

Howell is passionate about family law, particularly using alternative dispute resolution methods to amicably and efficiently resolve contentious family law matters. She enjoys advocating for her clients both in and out of the courtroom. Her approach to family law puts clients and their goals first. Howell was selected for the 2018 and 2019 Kentucky Rising Stars lists. Each year, no more than 2.5 percent of the lawyers in the state are selected by the research team at Super Lawyers to receive this honor.

Howell additionally represents students in Title IX cases, working on behalf of victims of on-campus sexual violence and assault. Howell has represented students in the on-campus grievance process. She has also filed complaints on behalf of clients under Title IX, both through the Office of Civil Rights, and in Federal Court. Her work includes presentations to area attorneys, social workers, college administrators, and law school classes on how Title IX can be utilized to assist survivors of campus assaults.
